

Website Content Submission Form

Home Page – (Videos 1, 2, 3, 4)

- Please replace the 3 main top images following the Instructional Video#1 to add the text in the correct fields “H” tags & “P” Tags. (video #1)
- Please replace the Logo as seen in the Instructional video#2.
- Please Replace the Favicon as seen in Instructional video #3.
- Please include a Title for the Web Page (Video 4) – this is for SEO

“About” Section (Video 5)

Please type 150 words stating who you are, and where you come from. Describe your interests, and personal information. Describe your education, and favorite subjects. List any honors you have received as a student or professional. Follow Directions for linking Social Media from Video #5

▪ Make a professional Social Media Campaign based on your services. (FB, LinkedIn, Instagram, YouTube, Twitter) – leave a good footprint on the Web! Don't put bad media out there and be a professional.

“Services” Section (Video 9 part 1 and 2)

List your participation in any organizations or extracurricular activities in the “P” and “H” Tags within the correct spots. Please add the images as shown from the instructional videos# 9 (1&2). You may use my examples or make up your own for the services sections and pictures used for them.

“Blog will be the Section Resume

You will construct a Resume, Cover Letter, and Follow Up Letter. Bring in any self portraits for this section, or dress to impress, and I will take a picture.

Solid Team – (video 10) Delete the “Team” section in the Navigation bar and in the Section of the site

“Portfolio” Section (Video 8 part 1&2)

Any Graphic Design or web work you have done in the past, and include drawings, paintings, Illustrations. Please follow Videos 8 (part 1&2) to complete the gallery images, thumbnails, and image slider.
